Gaza, January 03 (QNA) – Six Palestinians were killed and others were injured Friday in Israeli airstrikes on different part of the Gaza Strip.

Local sources in Gaza said that three civilians were killed and others were injured after Israeli forces shelled a group of civilians in the Sheikh Radwan neighborhood, west of Gaza City.

One civilian was killed after Israeli aircraft targeted an area east of Deir Al-Balah city.

Two civilians were killed and several others were injured in Israeli airstrikes targeting Khirbet al-Adas area, north of Rafah in southern Gaza.

The Gaza Ministry of Health had announced that the death toll from the ongoing

Israeli aggression rose to 45,581, in addition to the injury of 108,438 others.
