

Eight Palestinians martyred in two Israeli airstrikes on Gaza city

,English,Middle East - **مشرق**,Snippets

Gaza, January 07 (QNA) – Eight Palestinians were martyred today in strikes carried out by Israeli drones on the neighborhoods of Al-Shaghaf and Al-Tuffah in eastern Gaza City.

Local sources reported that five citizens were martyred and others injured in a drone attack on the Al-Shaghaf neighborhood. Additionally, three more citizens were martyred in a strike targeting a group of people in Al-Tuffah neighborhood.

Earlier today, Ministry of Health in Gaza announced that death toll from the ongoing Israeli aggression on Gaza Strip, since October 7, 2023, has risen to 45,885 martyrs and 109,196 injured.
