

Qatar Amir: Second World Summit for Social Development Reflects Qatar-UN Active Partnership

,English,Qatar - قطر,Snippets

Doha, November 04 (QNA) – HH the Amir Sheikh Tamim bin Hamad Al-Thani affirmed that the Second World Summit for Social Development, hosted by Qatar, reflects the active partnership that unites the State of Qatar with the United Nations in consolidating multilateral cooperation to achieve the desired growth, progress, and prosperity for all peoples of the world.

In a post on His Highness's official account on the platform X, HH the Amir stated that the summit is pivotal within the framework of international commitments and pledges on sustainable development. His Highness added that it reflects the active partnership that unites Qatar with the United Nations in consolidating multilateral cooperation to achieve the desired growth, progress, and prosperity for all peoples of the world.
