Occupied Jerusalem, December 16 (QNA) – Dozens of colonists stormed on Tuesday morning the blessed Al-Aqsa Mosque, under the protection of the Israeli occupation forces (IOF).

Palestinian news agency (Wafa) reported Palestinian sources as saying that the colonists have intensified their incursions into the courtyards of Al-Aqsa Mosque and their provocative performance of Talmudic rituals over the past two days, on the occasion of the Hanukkah Hebrew holiday, while the IOF tightens control over Jerusalemites, especially in the vicinity of Al-Aqsa Mosque and the Old City. The incursions come as part of the occupation's efforts to obliterate the Islamic and historical identity of Al-Quds, and to implement its plans for the temporal and spatial division of the blessed Al-Aqsa Mosque.
