Gaza, March 18 (QNA) – The death toll from the Israeli occupation’s aggression on the Gaza Strip since Oct. 7, 2023, has risen to 72,253, in addition to 171,912 injured.

Medical sources in the Strip indicated Wednesday that the Strip’s hospitals received 4 bodies during the past twenty-four hours, including one who died from his injuries, and 14 wounded. The sources noted that the toll of martyrs and wounded since the ceasefire last October has risen to 677 martyrs and 1813 wounded, while 756 bodies have been recovered.

The sources explained that a number of victims are still under the rubble and on the streets, as ambulance and civil defense crews are unable to reach them.
