19 May 2026 - Doha, Qatar: The Qatar Winter Sports Committee, in collaboration with Years of Culture, will continue the Qatar Canada and Mexico 2026 Year of Culture Winter Sports Development Programme with a new series of public winter sports activities at Ali Bin Hamad Al Attiyah Arena from 24 to 26 May 2026.

The May programme invites families, young people, sports enthusiasts, and members of the wider community to experience curling, ice hockey, skating, and short track through open house sessions and friendly community games. The activities are designed to introduce winter sports to the public in an accessible and welcoming setting, while continuing to build connections between Canadian, Qatari and expat communities in Doha.

Launched in April, the Winter Sports Development Programme runs throughout 2026 and aims to expand participation in winter sports in Qatar, with a focus on grassroots engagement, youth development, coach education, and competitive opportunities. Developed as part of the Qatar Canada and Mexico 2026 Year of Culture, the programme highlights the role of sport as a platform for cultural exchange, community participation, and long-term collaboration.
