

Pakistani Volunteer Continues Global Football Legacy at FIFA World Cup 2026

کھلاڑی اور کھیل - English, Snippets, Sports

Representing Pakistan on one of the world's biggest sporting stages, I, Hassan Ali Khan, along with my friend Ali Raza, am honored to join the FIFA World Cup 2026 at the New York/New Jersey Stadium as part of the Fan Operations team. As a Pakistani living in Qatar, this marks my fifth representation of Pakistan at a FIFA World Cup final tournament, reflecting a journey of dedication, volunteerism, and international cultural exchange.

Pakistan has always held a special place in football history through the manufacturing of world-class footballs, including the iconic Trionda football. Carrying this legacy forward, I proudly represent the spirit, hospitality, and resilience of Pakistan on the global stage.

The FIFA World Cup is more than a sporting event; it is a celebration of cultures, diversity, and unity. Through volunteering, I have had the privilege of welcoming fans from around the world, sharing Pakistan's rich heritage, learning from different cultures, and building lifelong international friendships.

One of the most meaningful experiences has been sharing the success story of the FIFA World Cup Qatar 2022, widely regarded as one of the most memorable and well-organized tournaments in FIFA history.

Having served during Qatar 2022, I have been able to bring valuable experience and best practices to future FIFA events while continuing to promote the values of inclusion, teamwork, and excellence.

Over the years, I have proudly represented Pakistan at several prestigious FIFA tournaments and events, including:

- FIFA Arab Cup 2021 (Qatar)
- FIFA Congress 72 (Doha, 2022)
- FIFA World Cup Qatar 2022
- FIFA Pioneer Program 2022
- FIFA Women's World Cup Australia & New Zealand 2023
- FIFA Intercontinental Cup 2024

- AFC Asian Cup Qatar 2023
- FIFA Club World Cup Qatar
- FIFA Arab Cup 2025

- FIFA World Cup 2026 (New York/New Jersey, USA) – Fan Operations

Each tournament has strengthened my belief that sport is a universal language capable of connecting people beyond borders, cultures, and backgrounds. I remain committed to serving the global football community while proudly carrying Pakistan's name wherever the beautiful game is played.

As I embark on another FIFA World Cup journey, I hope my experience inspires young Pakistanis to pursue international volunteering opportunities, embrace cultural exchange, and showcase Pakistan's talent, hospitality, and passion to the world.
