Every August 14, Sohni Dharti Forum commemorates Pakistan's Independence Day with an event that fosters national pride and educates children about the sacrifices made for freedom. As part of its Future Leader Program, Sohni Dharti Forum highlights young talent by encouraging children to host each event. This year, Anwar Ali Rana, Chairman of Sohni Dharti, emphasized the importance of young anchors in enhancing these celebrations with their energetic and engaging presentations.

Continuing this tradition, Sohni Dharti provided hosting opportunities to emerging young talents.

Hooria Sarwar, Abdullah AABAN Anwar, Azaan Baig, Moseddiq Atif, Muhammad Ayan, Muhammad Hanzla Imran, Muhammad Mohsin, Simra Khayam, and Minahel Talib took on the roles of hosts and hostesses for the Independence Day event. Their performance elevated the program to new professional and personal heights.

The young hosts demonstrated excellent communication and organizational skills, showing remarkable knowledge, confidence, and teamwork. They engaged the audience effectively with expressive speeches and celebrated each performance with enthusiasm. Sohni Dharti Forum applauds these young talents for their outstanding hosting abilities, which significantly contributed to the event's success and underscored the Forum's commitment to nurturing future leaders.
