Gaza, August 24 (QNA)–Four civilians were martyred, and others were injured, on Saturday, in an Israeli airstrike on a house southeast of Khan Younis, south of the Gaza Strip.

Local sources reported that the occupation warplanes bombed a house in the Maan area, southeast of Khan Younis, resulting in the killing of at least four civilians and causing the injury of others.

The ongoing Israeli aggression on Gaza since October 2023 has so far resulted in 40,265 documented Palestinian fatalities, with over 93,144 others injured.

Thousands of victims are feared trapped under rubble, inaccessible to emergency and civil defense teams due to Israeli attacks.
