The Next Generation School (TNG) has announced the opening of its 8th branch, a new Kindergarten in Nuaija, Qatar. This milestone, made possible by the approval of the Ministry of Education and Higher Education, reflects TNG's continued commitment to providing quality education across the country.

The new campus will cater to Kindergarten students, following the Early Years Foundation Stage (EYFS) of the British curriculum. The academic session is set to begin on 1st September 2024, marking the start of the 2024-2025 school year.

TNG's expansion into Nuaija further strengthens its reputation as one of Qatar's leading private educational networks. The school is dedicated to nurturing the next generation of learners in a supportive and stimulating environment.

TNG expresses its gratitude to its patrons for their unwavering support and looks forward to welcoming new students to its latest campus, continuing its mission of educational excellence in
