Occupied Jerusalem, October 08 (QNA) – Colonists stormed the blessed Al-Aqsa Mosque today, under the protection of the occupation police.

Wafa news agency reported that dozens of colonists stormed Al-Aqsa in groups and performed Talmudic rituals.

The blessed Al-Aqsa Mosque is subjected to colonist incursions on an almost daily basis under the protection of the occupation police, in an attempt to change the status quo of Al-Aqsa and divide it temporally.
