MIRPUR (AJK): Oct. 14: Solar System Training Program was formally started in Government College of Technology in New City Mirpur with the support of UK based international NGO Muslim Hands with prime focus to encourage training for the promotion solar system technology to meet local needs of energy in the region.

Our Special Jammu Kashmir state Correspondent Altaf Hamid Rao reports that the Program was formally inaugurated on Monday by Overseas Pakistanis leader Asif Bazmi and Muslim Hands Mirpur team who cut the ribbon.

On this occasion, Principal GCT Mirpur Engineer Waqas Aziz gave a complete briefing to the guests about alternative energy/green energy solar system to get rid of increasing load shedding in the country including Azad Jammu Kashmir.

A latest lab compatible with modern requirements was set up in the GCT Mirpur.

With the advent of this new lab, thousands of unemployed youths of Mirpur and surrounding areas will be given complete training in alternative energy besides to send them in best institutes for internship, Qamar Atta Public Relations Manager Muslim Hands told media on this occasion.

Principal VTI Mirpur, Principal and Staff Government College of Technology and others were also present on this occasion.
