Doha, Qatar – JTA International Investment Holding, a leading global investment solutions provider, is proud to announce its investment in American Premier University (APU). This investment and strategic partnership aim to foster innovation and enhance educational

opportunities.

JTA International Investment Holding was established in 2010 with the mission of providing unique and innovative financial and investment solutions to businesses and iconic projects worldwide. Over the years, JTA has evolved into an active investment solutions provider with strong partnerships and associations with like-minded companies and individuals.

American Premier University (APU), renowned for its commitment to excellence in education, offers a range of programs including Bachelor of Business Administration (BBA), Master of Business Administration (MBA), and Doctor of Business Administration (PhD/DBA). APU is dedicated to developing future leaders through its comprehensive curriculum and experienced faculty.

CEO of JTA International Investment Holding, Dr. Amir Ali Salemi, expressed his enthusiasm for the partnership: “We are excited to join forces with American Premier University. This partnership aligns with our vision of fostering innovation and providing access to high quality education in under-privileged communities. With JTA’s presence in more than 50 countries, we look forward to expanding APU’s reach around the world. Together, we will provide unparalleled opportunities for students and professionals alike.”

CEO of American Premier University, Dr. Alex, also shared his excitement: “Partnering with JTA International Investment Holding is a significant milestone for APU. This collaboration will enable us to expand our educational offerings and provide our students with access to cutting-edge resources and expertise. We look forward to a fruitful partnership that will benefit both our institutions and the communities we serve.”

The partnership will focus on several key areas, including:

1. **Joint Research and Development Projects:** Leveraging the expertise of both institutions to drive innovation and address global challenges.
2. **Scholarship Programs:** Providing financial support to deserving students, enabling them to pursue their educational goals.
3. **Executive Education and Training:** Offering specialized programs for professionals to enhance their skills and advance their careers.
4. **Community Engagement Initiatives:** Collaborating on projects that benefit local communities and providing access to high quality education in under-privileged communities.
