Doha : Motivation is a capsule and cure for many issues and can help any one to overcome

challenges said Thaha Muhammed , the president of Indian Business and Professional Council.

While releasing the 7th part of the motivational book ‘Vijayamanthrangal ‘ by Doha based author

Dr. Amanulla Vadakkangara at a function held at Skills Development Centre auditorium he

highlighted the role of motivation in every body’s life and underlined that Vijayamanthrangal has

made effective changes in the society.

Vijamananthrangal, a motivational series in Malayalam is a capsule and cure for many physical and mental ailments being faced by human beings, he said. Challenges and obstacles are natural in everybody's life. Some times we may need some external support to overcome such tough situations. It can be a book, a speech, a message or anything. This book is an effective solution for such occasions.

He released the book by handing over a copy to Benazir Manoj, the co founder and CEO of NVBS. Manoj Sabib Jan, the founder and chief coach of NVBS chaired the function which was attended by an array of prominent personalities including, Al Suwayed group director Faisal Razak, Ceprotec CEO Jose Philip, Qatar Tec managing director Jeby K John, ICBF managing committee member Abdul Rauf Kondotty, ICC managing committee member Adv. Jafar Khan Kechery, Dom Qatar president Usman Kallan, Clickon Qatar manager Abdul Azeez, Dr. Simi Paul, Westpac manager Syed Mashood Thangal, Abdulla Poyil and Binu Kumar, general manager of Media Pen. Dr. Amanulla Vadakkangara who spoke on the occasion explained the journey of Vijayamanthrangal.
