The National Traffic Safety Committee, in collaboration with the General Directorate of Traffic, organized an event today, 17 November 2024, to mark the World Day of Remembrance for Road Traffic Victims under the theme “Remember – Support – Act.” The event aimed to highlight the issue of road accidents and ways to mitigate their impacts.

The event was attended by Major General Abdul Aziz bin Jassim Al Thani, Director General of Traffic; Dr. Sheikh Mohammed bin Hamad Al Thani, Director of the Non-Communicable Disease

Prevention Programs Department at the Ministry of Public Health; Brigadier Dr. Mohammed Radi Al-Hajri, Member and Secretary of the National Traffic Safety Committee; along with representatives from concerned entities, military college students, and school students.

The program featured a documentary on enhancing traffic safety in Qatar and speeches by officials concerned with traffic issues. On the sidelines of the event, an accompanying exhibition was inaugurated, showcasing various entities' contributions to promoting safety standards and raising traffic awareness.
