Occupied Jerusalem, November 28 (QNA) – Colonists stormed the blessed Al-Aqsa Mosque today, under the protection of the occupation police.

Wafa news agency reported that dozens of colonists stormed the courtyards of Al-Aqsa, carried out provocative tours in its courtyards and performed Talmudic rituals, under the protection of the Israeli occupation forces (IOF).

Since the beginning of the relentless genocide that the Israeli occupation has been committing

against the Gaza Strip and its aggression against the West Bank, the IOF tightened their measures at the gates of Al-Aqsa Mosque and the entrance gates to the Old City.
