Doha, December 8 – The Doha Forum 2024, themed “The Inevitability of Innovation,” concluded its two-day event in the Qatari capital on Sunday, bringing together global leaders and experts to address pressing international challenges.

Supported by Anadolu as the Global Communication Partner, the forum featured key addresses from Philemon Yang, President of the UN General Assembly, and Qatar’s Minister of State at the

Ministry of Foreign Affairs, Mohammed bin Abdulaziz bin Saleh Al Khulaifi.

Yang praised Qatar for hosting a successful forum, stressing the importance of dialogue and international cooperation in promoting peace, protecting human rights, and fostering fair social progress. Al-Khulaifi emphasized the role of innovation in solving global issues, highlighting the forum's commitment to knowledge exchange and collaboration.

The sessions explored critical topics, including geopolitical tensions, global security, humanitarian crises, and technological advancements, aiming to propose actionable solutions.

The forum reaffirmed its mission to drive constructive dialogue and innovation as key tools for addressing the world's most urgent challenges.
