Amman, December 10 (QNA) – A Qatari Armed Forces plane arrived at Marka military airport in the Hashemite Kingdom of Jordan, carrying food, medical supplies and shelter supplies provided by the Qatar Development Fund, as part of an air bridge operated by the State of Qatar to provide relief to our brothers in the Syrian Arab Republic and contribute to addressing their humanitarian conditions.

The aid was received by HE Ambassador of the State of Qatar to the Hashemite Kingdom of Jordan Sheikh Saud bin Nasser bin Jassim Al-Thani.

This aid comes within the framework of the State of Qatar's supportive stance towards Syria, and its continued support for the brotherly Syrian people.
