MIRPUR (AJK): December 18: The U.S. government has awarded 108 Pakistani undergraduate students scholarships to study for one semester during the 2024-25 academic year under the Global Undergraduate Exchange (Global UGRAD) Program, it was officially said.

“Administered by the United States Educational Foundation in Pakistan (USEFP), the exchange program provides participants a unique opportunity to enrich their education by spending one semester of nondegree study at a U.S. university or college, says a press release issued by the United States Educational Foundation in Pakistan.

54 of these talented Pakistani students are set to embark on their exchange journey, the PR added.
