HUAWEI WATCH Ultimate Design The HUAWEI WATCH Ultimate Design is Huawei’s first-ever gold smartwatch. The luxury smartwatch with a sailboat-inspired design comes with a gold bezel, and a gold crown is inlaid with six segments of 18K gold to form a rudder-shaped ring design. The

six-segment gold bars are designed according to the golden ratio, combining the calmness of black and the brilliance of gold to achieve a harmonious and balanced design aesthetic. It adopts the diamond-cut engraving process, where a 3D trapezoidal pattern is carved onto the surface of the gold. The watch comes with a gold and black Three-Compartment Chain Strap. The Price of the new HUAWEI WATCH Ultimate is 10,999 QAR
