Kuala Lumpur, January 22 (QNA) – Represented by the Ministry of Interior (MOI), the State of Qatar participated in the Asia International Security Summit and Exhibition 2025 (AISSE 25) and the inaugural Cybercrime Prevention Summit, hosted by the Federal Kingdom of Malaysia in Kuala Lumpur from Jan. 20-22.

The event witnessed broad international participation, bringing together key decision-makers

and experts in security and law enforcement.

The MOI's delegation was led by Director of the Establishments and Authorities Security

Department Major General Dr. Ali Khajim Al Adhbi, and included a number of specialized officers

who took part in high-level sessions and events aimed at exchanging expertise and showcasing

global best practices.

The summit and exhibition focused on discussing key security issues, particularly combating

cybercrime, while also enhancing frameworks for international cooperation and developing

innovative solutions to address security challenges, contributing to greater regional and

international security and stability.
