Doha, February 06 (QNA) – HH the Amir Sheikh Tamim bin Hamad Al-Thani visited the 12th edition of the Qatar International Agricultural Exhibition (AgriteQ 2025) at the Katara Cultural Village on Thursday morning.

During the visit, HH the Amir was briefed in the exhibition halls and pavilions of participating countries and entities on the latest agricultural systems and innovative solutions to improve

productivity, reduce water waste, and enhance innovation and sustainable development in the agricultural sector, which is considered one of the main pillars of comprehensive development in the country within the framework of Qatar National Vision 2030.

HH the Amir also visited the pavilion of the sisterly United Arab Emirates, the guest of honor of the current edition of the exhibition. HH was accompanied by a number of senior officials.
