Altaf Hamid Rao.

MIRPUR (AJK): February 10 (APP): Azad Jammu Kashmir Prime Minister Chaudhry Anwar ul Haq

has said that India should take immediate measures to halt the ongoing brutalities and barbarism in bleeding vale of Kashmir in her illegal occupation.

“If Indian government continued with its policy of state terrorism and relentless repression of political and human rights in the disputed territory then no one will be able to stop the youth of Azad Jammu Kashmir from crossing the bloody line ”, the AJK premier expressed these views while addressing inaugural ceremony of Bhimber Electrical Operation Division in Bhimber city on Monday.

Referring to Pakistan's commitment to Kashmiris' just cause, he said that Army Chief General Asim Munir's statement on Kashmir amply demonstrates the degree to which Pakistan is dedicated to the cause of Kashmir.

The Prime Minister said that the Army Chief without minicing any words has made it abundantly clear that "Pakistan has already fought three wars for Kashmir and is ready to fight ten more if required".

Terming Pakistan as the ultimate destination of Kashmiris, the PM said, "God willing, Kashmir will be free soon and the State of Pakistan will be complete in letter and spirit".

He said that the present government in AJK was moving in the right direction with its mission of serving the people without discrimination. He said that the process of development in the liberated territory would continue unabated.

The prime minister also mentioned the massive subsidies being given to masses on flour and electricity. He also spoke about the Social Protection Welfare Program saying that a reasonable amount would be given monthly to the downtrodden and helpless sections of the society so that they could be able to live a dignified life.

The PM underlined that his government had launched a number of projects of public interest the benefits of which have started to reach the ordinary citizens. “The government established a Zakat Fund, a University in Bhimber and provided 200 units of free electricity to mosques and ensured the supremacy of the constitution and law”, the PM added.

The PM Haq asserted that development and welfare work was going on in all the constituencies across the state without any discrimination.

The cere was also attended by senior minister Colonel (Retd) Waqar Ahmed Noor, government ministers including Chaudhry Arshad Hussain, Chaudhry Azhar Sadiq and others.
