Doha, February 11 (QNA)– With the participation of HE Deputy Prime Minister and Minister of State for Defense Affairs Sheikh Saud bin Abdulrahman bin Hassan Al-Thani, and HE Chief of Staff of Qatar Armed Forces Lt. Gen. (Pilot) Jassim bin Mohammed Al Mannai, the Ministry of Defense organized a series of sports and recreational activities in celebration of the National Sports Day at Al-Bidda Park.

The activities included recreational competitions and various sports and physical games, such as football, basketball, volleyball, and athletics, along with several competitive events for the children of the affiliates of the ministry and the general public.

These events aim to encourage all age groups and different segments of society to engage in sports and physical activities, raise awareness of the importance of sports in daily life, and promote year-round participation. Additionally, they seek to enhance the values of cooperation and foster a spirit of participation among all members of the society
