Doha, February 14 (QNA) – HE President of the Republic of Colombia Gustavo Petro on Friday visited the residence where the Palestinians are receiving treatment in the State of Qatar, as part of the initiative of HH the Amir Sheikh Tamim bin Hamad Al-Thani to treat 1,500 Palestinians from the Gaza Strip, during his current visit to the country.

His Excellency was welcomed by HE Minister of State for International Cooperation Maryam bint

Ali bin Nasser Al Misnad.

During the visit, His Excellency was briefed on key services provided to the Palestinians at their residence in the country, including health services, psychological support, training, rehabilitation, education, and others.

HE the President of the Republic of Colombia commended the State of Qatar's great efforts in supporting the Palestinians, stressing need to enhance cooperation and intensify all humanitarian efforts to rebuild the Gaza Strip.

His Excellency noted the importance of this humanitarian initiative that provides health and medical services and many other development services to the people of the Gaza Strip who are in the State of Qatar for treatment.

HE the President and his accompanying delegation also listened to a detailed explanation on key services offered to the brothers by the clinics and health facilities available in their residence.

On the sidelines of the visit, His Excellency met with a number of Palestinian children who are receiving treatment with their families in the State of Qatar.
