Valentine's Day is all about celebrating love in its many forms. This could be with a partner or loved one, friends or family, or even taking time for self-love. This year, why not look beyond traditional gifts and select one that will last a lifetime? With Canon's unique range of imaging solutions for personal use, you can capture, print, and cherish every special moment.

From instant prints to high-quality photography that's social media-ready, these four must-have Canon products will make this Valentine's Day truly unforgettable:

1. Create picture-perfect memories in outstanding quality

Every love story deserves to be told in the best quality. The [EOS R100](#) mirrorless camera is lightweight, intuitive, and perfect for capturing emotions in vivid detail. It's an ideal Valentine's Day gift because it:

- Captures high-resolution images and 4K videos for timeless memories.
- Easily connects to your smartphone to share moments instantly.
- Is compact and lightweight, making it ideal for romantic adventures.
- Detects the person in frame to capture the moment right when it happens, thanks to the powerful [Dual Pixel CMOS Auto Focus](#) and continuous shooting.

2. Beautiful, fast prints that last a lifetime

Love is in the details, and nothing captures those special moments like a printed photograph. The

[SELPHY CP1500](#) is a compact wireless photo printer that transforms your digital memories into

beautiful, long-lasting prints. Your Valentine will love it because it can:

- Print high-quality photos in vibrant colours that won't fade over time.
- Create personalised keepsakes, from love notes to mini albums.
- Seamlessly print from your smartphone via Wi-Fi in seconds.
- Print simply and wirelessly from your iPhone, iPad, or Android device using the [SELPHY Photo Layout app](#).

3. Stand out online and stay discreet while shooting

For couples, friends, and solo adventurers who love to document their experiences, the award-

winning [POWERSHOT V10](#) is the ultimate vlogging camera. Whether you capture everyday

moments or a big romantic getaway, this pocket-sized camera lets you easily record, edit, and share. Make Valentine's Day memories with:

- 4K UHD video capabilities to capture love in motion.
- A tilt-screen, large stereo microphones, and a built-in stand for hands-free storytelling.
- Lightweight and portable for capturing every adventure, big or small.
- Livestreaming on YouTube and Facebook via the [Canon Camera Connect app](#) on your smartphone.

4. Passion in every beautifully crafted print

If you're looking for instant gratification, the [SELPHY SQUARE QX10](#) is a portable, battery-powered printer that fits in the palm of your hand. It can print 2.7" x 2.7" square photos on the go, perfect for decorating a scrapbook, love letter, or photo wall. This Valentine's Day, you'll be able to:

- Print borderless, smudge-proof photos straight from your phone.
- Stick your prints anywhere with self-adhesive photo paper.

- Take it anywhere to create memories on the spot because it's compact and lightweight, with no leads or cables.
- Dye sublimation quality with rich, vibrant colour and detail that lasts for up to 100 years.

You've bought the gifts, now what?

The options are endless when planning romantic activities that feature these fantastic Canon gifts.

Whether it's a surprise photoshoot to capture the magic of your relationship and print the best shots for a lasting memory, a scrapbook of your most cherished moments, a recorded 'love story' video of memories, present-day moments, and future plans to watch together for years to come, or a treasure hunt of printed images, Canon's personal-use cameras and printers help you create, share, and relive love's best moments.

Beyond this special day, use these revolutionary printers and cameras to build your business or social media following, snap and print family photos, or shoot spontaneous everyday scenes – the applications are endless.

Let Canon help you capture every smile, print every laugh, and cherish every memory this Valentine's Day – and every day.
