Occupied Jerusalem, February 19 (QNA) – Dozens of colonists on Wednesday stormed the courtyards of Al-Aqsa Mosque under the protection of the Israeli occupation forces.

Palestinian News Agency (WAFA) reported that the colonists infiltrated Al-Aqsa Mosque and performed Talmudic rituals in its courtyards under the protection of the occupation forces, which assaulted the worshippers and kept them away from the colonists' path.

Since the beginning of the Israeli all-out aggression against the Palestinian people in the Gaza Strip and the West Bank in October 2023, over 68,000 settlers have stormed Al-Aqsa under the protection of the occupation police, amid tightening procedures for entering Al-Aqsa Mosque and the entrances to the Old City.
