**Doha, Qatar – February 2025:** Pakistan made a powerful impact at **Web Summit Qatar 2025**, one of the world's leading technology conferences, with a **dedicated Pakistan Pavilion** showcasing the country's dynamic **IT and tech innovation landscape**.

The **Pakistan Pavilion** was officially inaugurated by **Pakistan's Ambassador to Qatar, H.E. Muhammad Aamer, PSEB CEO, Abu Bakar, and Umair Nizam, Senior Vice Chairman of P@SHA**, marking a significant milestone in **strengthening Pakistan-Qatar technology ties**. This initiative, led by **PSEB and P@SHA**, underscores **Pakistan's commitment to expanding its global footprint in the digital economy**.

A robust **Pakistani delegation of 10+ leading companies and 30 delegates** represented the country at the summit, showcasing cutting-edge **IT solutions, software services, and innovative tech products**. Their participation reinforced **Pakistan's position as a rising hub for IT and digital services**, fostering connections with **international investors, partners, and technology leaders**.

Speaking at the inauguration, **H.E. Muhammad Aamer, Pakistan's Ambassador to Qatar**, highlighted the **strength of Pakistan's IT sector** and its potential for international collaborations. **PSEB CEO, Abu Bakar**, emphasized the **government's unwavering support for IT exports and global partnerships**, underscoring initiatives aimed at accelerating the industry's growth. **Umair Nizam, Senior Vice Chairman of P@SHA**, stressed the **critical role of public-private partnerships in driving Pakistan's tech industry forward**, encouraging Pakistani companies to seize **global expansion opportunities**.

**Qatar remains a key export destination for Pakistani tech companies**, and discussions on **Day 1 of Web Summit Qatar 2025** have already set the stage for **stronger collaborations between Qatari and Pakistani enterprises**. This growing engagement is expected to unlock **new business opportunities, investments, and knowledge-sharing in key technology sectors**.

Web Summit Qatar 2025 has provided **Pakistani IT firms with unparalleled networking and business opportunities**, fostering **valuable partnerships with international stakeholders**. Pakistan's successful participation at the summit highlights its **increasing role in the global tech ecosystem**, paving the way for **future cross-border collaborations**.
