TASHKENT, March 4. /Dunyo IA/ — Bakhromjon Aloyev, First Deputy Minister of Foreign Affairs of Uzbekistan, met with Barbara Janusz-Pawletta, Representative of the International Water Management Institute (IWMI) in Uzbekistan, on March 3.

The two discussed key areas of collaboration, focusing on joint projects aimed at improving water resource management, enhancing water quality, and integrating innovative technologies into agriculture. The meeting emphasized the importance of knowledge exchange and fostering partnerships between Uzbekistan's scientific and educational institutions and IWMI.

Both parties expressed commitment to advancing sustainable water management practices and addressing regional challenges through mutual cooperation.
