Doha, Qatar – 6 March 2025 – Msheireb Properties, Qatar’s leading sustainable property developer, hosted a Ramadan Ghabga to pay tribute to the support shown by its many stakeholders. The prestigious event brought together partners, retailers and commercial tenants at Barahat Msheireb in Msheireb Downtown Doha, recognising their collective contribution to the city’s remarkable success.

Held in the historic heart of Doha, the gathering took place in Barahat Msheireb, the largest covered open-air square in the region, specially arranged to reflect the warmth, peace and goodwill of a traditional majlis.

Commenting on the occasion, Eng. Ali Al Kuwari, CEO of Msheireb Properties, said: “It was important to us that we took the time during this holy month to join with partners and other distinguished guests to thank them for their support. Without the commitment of our stakeholders, we would not have succeeded in making Msheireb Downtown Doha the thriving hub of creativity, entrepreneurship and business it is today. This Ramadan gathering was an opportunity to express our gratitude and to look forward to a prosperous year ahead.”

The evening featured an exceptional culinary experience crafted by renowned Qatari chef Abdulla Al Khaldi, alongside an innovative art installation titled “Roots of Unity” by Qatari artist Abdulaziz Yousef, presented through Metaverse technology. This creative showcase reflected the event’s theme celebrating how strong partnerships, like family bonds, create the foundation for community success.

“We want every person who comes to Msheireb Downtown Doha to have a positive experience,” Eng. Al Kuwari added. “While much of that is within our control, there is a lot that relies on our partners. Improving on this and becoming a destination for social interaction remains one of our

core goals, and it was important to share this vision with our stakeholders.”

Looking ahead to 2025, Msheireb Properties aims to expand its role in Qatar’s cultural and tourism landscape through strategic collaborations with government agencies and cultural institutions.

The city is poised to host high-profile business forums, exhibitions and community initiatives, contributing to Qatar’s vision of becoming a global hub for business, culture and innovation.
