Doha, March 27 (QNA) – The price of gold in the Qatari market rose Thursday by 0.28% this week, reaching \$3,032.96 per ounce, according to data released by Qatar National Bank (QNB).

The price increased from the level of \$3024.28710 recorded last Sunday.

The data also indicated that the rest of the precious metals saw weekly changes, with silver rising 1.97% to \$33.74 per ounce, up from \$33.085 on Sunday, while platinum fell 0.14% to \$981.20 per

ounce, compared to \$982.62460 at the beginning of the week.
