Doha, Qatar – The Pakistan Engineers Forum (PEF) Qatar successfully hosted a vibrant and joyful Eid Family Gathering at Sakt N Pepper, Corps Hotel, bringing together Pakistani engineers, professionals, and their families to celebrate Eid in a warm and festive environment.

The event aimed to strengthen community bonds among the Pakistani diaspora in Qatar, offering

a platform to foster social connections and cultural unity. The program commenced with the recitation of the Holy Quran by Qari Abdulhakam Ahmad, followed by a heartfelt Naat-e-Rasool presented by Muaz Asad. The overall event coordination was efficiently managed by PEF Vice President Ahmad Javaid.

The evening was filled with a variety of engaging activities, including traditional Eid delicacies, interactive games for children, and cultural segments that reflected the true essence of Eid. Notable members of the Pakistani community, engineers, professionals, and distinguished guests graced the occasion, enhancing its significance.

Arshad Hussain, President of PEF Qatar, addressed the attendees and underscored the importance of community participation. "Eid is a celebration of unity and happiness. This gathering was organized to bring our members and families closer and create a lasting sense of belonging. PEF remains dedicated to nurturing both the social and professional growth of Pakistani engineers and professionals in Qatar," he said.

The program also featured team-building and networking games led by Mr. Rana Anwar Ali, encouraging collaboration and engagement in a relaxed and enjoyable manner. Additionally, fun physical activities including push-ups and planks were introduced by Mr. Kifayat Shah, adding an energetic and health-conscious dimension to the event.

The gathering concluded with a group photograph and warm Eid greetings exchange among participants. Attendees appreciated PEF Qatar's consistent efforts to organize such inclusive and meaningful events that celebrate Pakistani culture and promote unity within the professional community.

Pakistan Engineers Forum Qatar extends sincere thanks to its members, volunteers, and generous sponsors for their valuable support in making the Eid Family Gathering a grand success. PEF looks forward to hosting more such events to further strengthen the ties among Pakistani professionals and their families in Qatar.
