Aurora Toastmasters Club celebrated a significant milestone—their 200th meeting—8th

Anniversary—with a vibrant talent showcase titled #AuroraGotTalent4.0 on April 23, 2025. The

event featured members stepping out of their comfort zones and into the spotlight with

performances ranging from singing and dancing to poetry recitation and storytelling.

Led by Project Manager Vinita Nangalia, the morning was a perfect blend of fun, creativity and a celebration of the club's growth and spirit. Approximately 40 attendees—including president, past presidents, excom, members, guests and leaders—were inspired by the transformation of confident speakers into true showstoppers.
