MIRPUR (AJK): May 3: AJK's bussiest Mirpur District' Administration has asked all print,

electronic and digital media representatives of Mirpur district to play their responsible role in

view of the current situation in the country including Azad Jammu Kashmir, it was officially said.

“Ever since the Pahalgam false flag operation, India has launched negative propaganda against Pakistan and Kashmiris, as a result of which the enemy might launch any adventure”, the administration warned, according to an AJK government handout issued by the district administration here on Saturday.

The handout continued that in this regard, any activity of terrorism or any other unpleasant incident might also occur from India. “India might also try to lower the morale of the nation by spreading fake news through social media”, the district administration observed.

The administration also maintained that in order to prevent all such impending situation, the local media representatives or citizens should not share any news that strengthens Indian negative propaganda and fake news.

The official handout further said that the district administration has decided that in view of the current situation in the country, media representatives should not believe in any kind of information other than the official handout issued by the Press Information Information Department of Azad Jammu Kashmir government.

Concluding the official handout warned that the enemy was deliberately trying to spread any kind of fake news and rumour through fake cell telephone numbers with ulterior motives to cause sensation, it said and warned media and common people not to believe in any such fake informations, news and rumours emerging on any of the means of social media.
