MIRPUR (AJK): May 6: Veteran AJK Business community leader and President Markazi Anjuman e

Tajraan (Ittehad Group) Chaudhry Mahmood said that fascist Modi lives in the paradise of fools if he thinks about launching any aggression against Pakistan or Azad Jammu Kashmir.

He added that so-called coward Indian “Hitler” was deceiving his people by talking about launching an adventure against Pakistan and Azad Jammu Kashmir.

Talking to our Special Jammu Kashmir state Correspondent Altaf Hamid Rao here Tuesday night, Ch. Mahmood said that the entire Pakistani nation including Azad Jammu & Kashmir & Gilgit Baltistan will emerge as an iron fist for India to break the enemy’s teeth if she dared to launch any aggression against Pakistan, AJK or GB.

The Kashmiri business community leader warned New Delhi that the valiant people of Pakistan, AJK and GB very well know how to protect the independence, sovereignty and freedom as they sacrificed a great deal and gained freedom and they also know how to make defense of inch after inch of the homeland, he declared.

Mahmood continued that Kashmiri people were offering immense supreme sacrifices of men and material for the sake of freedom of the motherland from illegal and forced Indian occupation and to secure their globally-acknowledged legitimate right to self-determination for over past 77 years.

“The series of sacrifices were continuing from generation to generation of the valiant people of the world-recognized disputed state of Jammu & Kashmir“, he said.

Ch. Mahmood said that there was a long tragic story that India was endeavouring to establish her hegemony and supremacy in the region with repeated abortive attempts to emerge as Hitler in South Asia in form of fascist Narendra Modi – and the so called Indian Hitler was posing threat to the global peace in general and the peace of South Asia in particular, he added.

Describing the recent Delhi-sponsored false flag operation at Pehelgam in IIOJK as India’s another abortive attempt to malign Kashmiris ongoing indigenous struggle for freedom of the motherland from Indian yoke, the business community leader called upon all of the world powers including the United States, United Nations and the OIC to take immediate notice of the increased aggressive posture of India in the region, which, he observed, could lead to spark nuclear conflict in the region.

The business community leader urged peace loving nations including super powers to sincerely and seriously play their due global responsibilities in resolving Kashmir, the long-standing issue of the South Asia, to ensure everlasting peace in the region by ensuring the grant of the right to Jammu Kashmir people to decide about their destiny – under the spirit of the international norms and commitments – most particularly the world-committed UN security council’s resolutions on

the global issue.

Mahmood observed that India, in fact, wanted to divert the world's attention from the fast-deteriorating situation in Indian Illegally Occupied Jammu & Kashmir by exercising repeated unlawful acts including mass-phased killing and victimization of the freedom-monger innocent IIOJK population besides creating an atmosphere of tension through violation of ceasefire at the LoC.

Responding to series of questions by the media, the President Markazi Anjuman e Tajaran (Traders (Organization)) said that India was only the responsible of gearing up repression and state terrorism against the innocent Jammu Kashmir people in entire IIOJK in general and the Muslim-dominated bleeding vale of occupied Kashmir valley in particular.
