DOHA: MEDIAPLUS, a leading advertising and event management company in Qatar has honoured the founder of Green world International with International Excellence Award in appreciation of his commendable contribution and initiatives in technology and education.

The award was presented to him at a ceremony held at Zaatar restaurant yesterday. Team Media plus headed by Dr. Amanulla Vadakkangara presented the award.

Dr. Vinodkumar TA is a distinguished individual with an exceptional track record in various fields. He is the founder and chairman of GREENWORLD International, GREENWORLD GLOBAL – UK, IGCF, and GIITS Kochi, where he has made significant contributions to the business world. With over 20 years of experience in management and business, Dr. Vinodkumar TA is deeply passionate about creating entrepreneurial opportunities and generating employment through his global projects. His dedication and expertise have resulted in the creation of over 500 entrepreneurs and 5000 careers worldwide.

Dr. Vinodkumar TA's influence extends across borders, as he has established offices in Canada, the UK, Uzbekistan, Dubai, and Australia. These strategic locations allow him to effectively execute his world projects, which focus on new technologies in global education, immigration, Visas, e-learning, placements, information technology, and other services.

In addition to his entrepreneurial pursuits, Dr. Vinodkumar TA is recognized as a Lifepreneur and an International Career Counsellor. His commitment to empowering individuals to achieve their full potential sets him apart as a mentor and guide.

Prior to his successful entrepreneurial journey, Dr. Vinodkumar TA had a distinguished career as an engineer in the Indian Army. Following his military service, he held a senior managerial position in a state bank group for over 10 years, showcasing his versatility and leadership abilities.

Dr. Vinodkumar TA's exceptional contributions and impact have been recognized on an international scale. He has received prestigious awards such as the International Peace Council Award from the USA, the Best Startup Bisgate award, and several Indian achievers awards. These accolades are a testament to his outstanding achievements and significant contributions to various fields.

With his remarkable career trajectory, commitment to excellence, and dedication to creating opportunities, Dr. Vinodkumar TA continues to inspire and empower others to reach their full potential. His visionary leadership, entrepreneurial spirit, and passion for education and business make him a truly remarkable individual.
