MIRPUR (AJK): May 12: After a pause of 05 days, all the private and public sector educational institutions in Azad Jammu Kashmir will be opened on Tuesday May 13, it was Officially announced.

According to an official notification of AJK elementary and secondary Education Department of AJK government issued on Monday all the private and state-run educational institutions will resume the academic activities from Tuesday, May 13.

The private, and public sector educational institutions including schools, colleges and universities across were closed on May 8 for indefinite period following unprovoked Indian aggression against

various parts of Pakistan and Azad Jammu Kashmir and the befitting response by the valiant armed forces of Pakistan in self defense that led to escalation of proper tension at the line of control and international border besides the working boundary comprising frontiers of Pakistan facing certain areas of Illegally Indian-occupied Jammu Kashmir state.
