Doha, May 13 (QNA) – Under the patronage of HE Minister of Interior and Commander of the Internal Security Force ‘Lekhwiya’, Sheikh Khalifa bin Hamad bin Khalifa Al-Thani, the Ministry of Interior (MoI) signed a Letter of Intent with IBM, a global leader in hybrid cloud, Artificial Intelligence (AI), and digital services.

HE Minister of State for Interior Affairs, Sheikh Abdulaziz bin Faisal bin Mohammed Al-Thani,

witnessed the signing of the Letter of Intent.

It was signed on behalf of MoI by HE Assistant Undersecretary for Technical and Specialized Affairs, Maj. Gen. Abdullah bin Mohammed Al Sowaidi, with Senior Vice President for IBM's Marketing and Communications, Jonathan Adashek, signing on behalf of IBM.

The move is part of efforts to boost cooperation with major global leading firms specializing in technology, in support of the MoI's directives toward accelerating the pace of digital transformation, advancing smart infrastructure, and energizing operational efficiency and technical preparedness, in pursuit of bolstering the national security system and promoting the quality of security and digital services.

IBM is one of the renowned global firms specializing in providing cutting-edge technological solutions, including AI, information security, data analysis, cloud computing, as well as advisory services, whose solutions contribute to building secure and integrated digital ecosystems that underpin institutional transformation and strengthen the effectiveness of government performance.
