**Doha, Qatar- 19 May 2025** – Nasser Bin Khaled Automobiles, the authorized general distributor of Mercedes-Benz in Qatar, is offering Mercedes-Benz cars' owners the chance to check the readiness of their cars' air conditioning systems to tackle the real heat of summer.

Valid until 12 June 2025, the offer includes special prices on AC system servicing and fumigation starting from QAR 610, in addition to complimentary vehicle health check up by professional certified technicians. Besides, the offer allows customers to get exclusive service packages at discounted rates.

Nasser Bin Khaled Automobiles is offering a special promotion exclusively for Mercedes-Benz customers in Qatar, providing a valuable opportunity to maintain their vehicles' air conditioning systems in optimal condition. This initiative aims to ensure a comfortable and enjoyable driving experience throughout the summer. As part of NBK Automobiles' ongoing commitment to delivering exceptional customer service, this offer enables customers to assess and enhance the efficiency of their air conditioning systems for peak performance on the road.

NBK Automobiles offers an assortment of services in its customer service workshop in Industrial area, Express Service centers in Al Gharrafa and Al Sadd. Customers can book an appointment by calling 4496 0000.

Nasser Bin Khaled Automobiles has built its success by establishing solid, longstanding relationships with its customers, and by offering a wide range of quality products. As a brand name, Nasser Bin Khaled Automobiles is deeply associated with a history of premium quality service and market leadership. Established in 1957, Nasser Bin Khaled Automobiles is Qatar's

exclusive distributor of three of the world's most respected, iconic brands: Mercedes-Maybach,  
Mercedes-Benz and Mercedes-AMG.
