Gaza, March 19 (QNA)– The Ministry of Health in Gaza announced that the death toll from the Israeli war on the Strip had risen to 31,819 martyrs and 73,934 injured since Oct. 7.

The ministry said that the Israeli occupation forces committed 9 massacres against families in the Gaza Strip, of which 93 martyrs and 142 injured arrived at hospitals during the past 24 hours.

The ministry pointed out that there are still a number of victims under the rubble and on the roads, where ambulance and civil defense crews cannot reach them.

The Israeli occupation continues its ongoing aggression against the Gaza Strip by land, sea, and air for the 165th consecutive day, which has caused more human suffering to the residents of the Strip, especially during the month of Ramadan. (QNA)
