Moscow, Kyiv, July 27 (QNA)– Russia and Ukraine each announced, Sunday, downing the other side's drones, in a continuation of this conflict that has been going on since February 2022.

In a statement, the Ukrainian army stated that it had shot down 78 out of 83 Russian drones across the north, south, east, and central parts of the country in the past 24 hours.

Meanwhile, the Russian Ministry of Defense announced that its air defenses managed to intercept and shoot down 99 Ukrainian drones over various parts of the country last night.

Recently, Russia and Ukraine concluded a third round of negotiations in Istanbul, Turkiye, during which they agreed to exchange more prisoners. However, both sides remain far from achieving a ceasefire or holding a meeting between their leaders
