Addressing the gathering, DC Yasir Riaz termed August 5, 2019, as the darkest day in Jammu and Kashmir’s history, condemning India’s forced and unconstitutional move as a blatant violation of international law and UN resolutions. He emphasized that this act must be taken seriously by the global community.

Speakers highlighted the military aggression committed by India and praised the response by Pakistan’s armed forces through Operation Banyan Marsus. They recalled how Pakistan successfully neutralized five Indian Rafale jets and dismantled India’s advanced defense systems, including the S-400. District Bar Association President Mahmood Hussain Plakvi Advocate presented several resolutions during the event. The first resolution rejected the August 5, 2019 constitutional amendments, declaring them illegal and against the will of the Kashmiri people. The second resolution condemned the post-abrogation steps allowing Indian citizens to settle, buy land, and seek employment in IIOJK, thus altering the demography of the region.

Another resolution strongly protested the ongoing denial of fundamental human rights to Kashmiris and called on the United Nations Security Council and global human rights organizations to intervene and halt India's repression. The gathering also expressed solidarity with Kashmiris imprisoned in Indian jails and demanded their immediate release.

Further resolutions reiterated that Jammu & Kashmir has never been and will never be a part of India. The people of the region reject India's illegal, immoral, and unilateral actions and vow to continue their struggle until freedom is achieved. The resolutions demanded the restoration of Articles 370 and 35-A and a return to the pre-August 2019 status.

The gathering extended full support to the Kashmiri freedom movement and the Palestinian struggle, lauded Pakistan's armed forces, and offered prayers for the success of the independence movements. A resolution thanked President Asif Ali Zardari, Prime Minister Muhammad Shehbaz Sharif, and COAS Field Marshal General Syed Asim Munir for their steadfast support of the Kashmiri cause.

Speakers resolved that the people of Kashmir will never accept India's hegemony and that the dream of a free Kashmir, ultimately part of Pakistan, will be realized. They vowed to expose Indian atrocities globally and demanded that the final settlement of the Kashmir dispute must align with UNSC resolutions and the aspirations of the Kashmiri people.

The rally concluded with heartfelt prayers for the success of the freedom struggle, the integrity and prosperity of Pakistan, and the strength of its armed forces. The massive turnout and passionate demonstrations in Mirpur served as a powerful message to the international community and reaffirmed the unshakable resolve of Kashmiris across the globe.
