Dubai, August 21 (QNA)– The State of Qatar participated in the 94th Executive Council meeting of the Arab Bureau of Education for the Gulf States and the workshop for the representatives of the ministries of education in the member states on the strategic direction of the bureau, held in Dubai, the United Arab Emirates, with the participation of Their Excellencies Undersecretaries of Ministries of Education in member states.

The Qatari delegation was led by HE Undersecretary of the Ministry of Education and Higher Education Dr. Ibrahim bin Saleh Al Nuaimi, member of the Executive Council.

HE Undersecretary of the Ministry of Education and Higher Education began his speech by stressing the importance of the meeting in strengthening the educational process and joint work among the Gulf states, and developing educational systems to keep pace with future aspirations, achieving forward-looking goals that serve the peoples of the region and future generations, and consolidate their competitive position on the global level.

His Excellency commended the bureau's programs and activities as well as its affiliated bodies during the past financial cycle, affirming that they achieved the aspired goals according to the outputs, achievement indicators, and reports, in addition to developing the educational policies and practices adopted by member states, which strengthened joint Gulf action and fruitful cooperation.

The 94th Executive Council meeting of the Arab Bureau of Education for the Gulf States addressed the final accounts and financial statements, the draft regulations for developing the bureau's additional financial resources, and a presentation by the Hamdan Bin Rashid Al Maktoum Foundation for Medical and Educational Sciences on the quality of education in the GCC countries and the foundation's initiatives, in addition to several other topics on the meeting's agenda.
