MIRPUR (AJK): August 31 (: Paris-based Jammu & Kashmir Forum France on Sunday appealed to the international community to take strict notice of increased Indian atrocities, human rights violations, and illegal move to make demographic change in the population ratio in the Muslim-dominated Indian Illegally occupied Jammu & Kashmir state.

The Kashmiris Diaspora's global forum also urged the freedom and peace loving comity of nations the world over to play their due part in getting the Kashmiri people granted their much-awaited legitimate right to self-determination, says a message reaching and released to the media here on Sunday

“Chaudhry Naeem Akhtar, Chairman of the Jammu and Kashmir Forum France, expressed these remarks while paying rich tribute to veteran Kashmir freedom struggle's iconic leader Syed Ali Shah Geelani on his fourth martyrdom anniversary, falling on Monday -September 1st, 2025.

Describing great departed Syed Ali Gilani as “Father of Hurriyat” and a great leader of the Kashmir freedom movement. He stated that Syed Ali Shah Geelani was, in fact, Pakistan's ambassador in Kashmir, who always advocated Kashmiris firm and principled stance to continue struggle for making Jammu Kashmir state as the invincible part of Pakistan, according to the message.

Akhtar praised late Geelani's unwavering stance on the accession to Pakistan, which he represented with immense courage, insight, and logic, making it a brilliant chapter in history. He said Geelani's clear position that "We are Pakistanis, and Pakistan is ours" is the voice of the Kashmiri people's hearts and the very foundation of their freedom movement.

He emphasized that Syed Ali Geelani's role is a milestone for the Kashmir freedom movement.

Geelani proved with both his political vision and practical actions that the Kashmiris' struggle for freedom is not a temporary or emotional slogan but an invincible reality.

"His sacrifices and determination serve as a guiding light for future generations. Akhtar also noted that even after Syed Ali Shah Geelani's passing, Indian rulers continued their oppressive behavior by trampling on human values during his burial", he underlined.

Despite this, he said, Geelani's ideas and philosophy remain alive in the hearts of the Kashmiri people and every attempt to crush this struggle will fail, the JKF leader concluded.
