Big 5 Construct Qatar and INDEX Design Qatar facilitate growth in the country's

construction and design industries from 14-16 October 2025

- Qatar's \$22.2 billion infrastructure transformation presents unparalleled opportunities for industry leaders at Big 5 Construct Qatar
- Leading brands such as Ansar Gallery, Bayt Al Ansari and Marble World Qatar showcase their latest products and solutions at INDEX Design Qatar
- Curated sessions at Big 5 Talks and INDEX Design Talks provide attendees with practical insights, emerging trends and actionable strategies across construction, interiors and fit-out sectors

Doha, Qatar | 22nd September 2025: Qatar's ambitious \$22.2 billion infrastructure programme led by Public Works Authority 'Ashghal' (2025-2029) is reshaping transport, government facilities, urban spaces and water systems under the vision of "humanizing cities" development (source: by Public Works Authority 'Ashghal'). Building on the opportunities presented by these initiatives, Big 5 Construct Qatar, the country's largest construction event, returns to the Doha Exhibition and Convention Center (DECC) from 14-16 October 2025. The event, co-located with INDEX Design Qatar, is held under the patronage of His Highness Sheikh Mohammed Bin Abdulrahman Al-Thani, Prime Minister and Minister of Foreign Affairs.

The exhibitions will host over 250 international and regional brands showcasing products, solutions, systems and services from more than 25 countries, including China, India, Oman, Saudi

Arabia, Türkiye, the UAE and the US. More than 10,000 industry professionals are expected to attend the events, including contractors, consultants, architects, project owners, fit-out specialists and distributors.

Commenting on the exhibitions, Muhammed Kazi, Senior Vice President, dmg events, said, “Qatar’s construction sector is showing strong momentum, contributing \$5.3 billion to the national GDP in Q1 2025 and with nearly \$311 billion in construction projects underway, the opportunities are significant. Big 5 Construct Qatar and INDEX Design Qatar bring together the suppliers, contractors and decision-makers who make these projects possible, helping to ensure the right expertise and partnerships are in place to support sustainable growth and the goals of Qatar National Vision 2030.”

“These events present a crucial platform for Qatar’s construction and interiors industries at a time of rapid national development,” said Rawad Sleem, Co-Founder & General Manager, NeXTfairs.

“By bringing together local insight with international expertise, we are empowering stakeholders to collaborate, exchange knowledge and shape the future of Qatar’s built environment while enabling sustainable growth.”

Big 5 Construct Qatar

The 2025 edition of Big 5 Construct Qatar features prominent exhibitors from across the construction value chain, providing visitors access to solutions for project delivery through live demonstrations and innovative product launches.

Some of the exhibiting companies include Bitumat, a manufacturer of waterproof and roofing solutions; Mapei, which produces adhesives, sealants and chemical products for construction projects; National Paints Factories, a paint and coatings manufacturer; Al Hattab Holding, renowned for diversified construction and industrial services; Embosal Steel Mills, a producer of structural steel products; Labragah Real Estate, a real estate development and investment services company; and HP Industries, a supplier of industrial equipment and machinery for construction sectors.

Alongside this extensive showcase, the exhibition features Big 5 Talks, a strategically curated programme for industry professionals, offering more than 20 CPD-certified sessions across key themes including sustainability, technology, project management and modular construction.

These sessions provide actionable insights into market trends, best practices and emerging technologies shaping Qatar's construction landscape.

INDEX Design Qatar

The co-located INDEX Design Qatar supports the interiors and fit-out sector in Qatar, which is growing at an impressive 9.5% CAGR from 2023. Interior designers, hotel outfitters, retailers, wholesalers, distributors, fit-out contractors and industry buyers will come together to source the latest interior design and fit-out products and solutions showcased by leading exhibitors.

INDEX Design Qatar features brands such as Ansar Gallery, a home décor and furnishings company; Bayt Al Ansari, a leader in high-quality interior solutions; Dorya USA, known for its luxury furniture and bespoke designs; Decotech, an expert in finishes and decorative materials for interiors; and Marble World Qatar, a leading supplier of natural stone products.

Complementing the exhibition is the CPD-certified INDEX Design Talks with sessions highlighting cultural influence in modern interiors, hospitality design, sustainability and more. The content programme will be led by more than 15 design experts addressing industry expectations and evolution, catering to interior designers, retailers, distributors, contractors and buyers.
