If the government does not take immediate steps, the Bar Council and all bar associations will launch a protest movement under a common plan of action.

” The meeting also expressed the determination that the lawyers of Azad Kashmir are united for the restoration of their professional autonomy, independence of the judiciary, and the justice system, and can adopt the path of peaceful but strong protest against any unconstitutional or unfair action. According to the decisions taken in the meeting,

Immediate appointment should be made to the vacant posts in the Supreme Court and the High Court so that the delay in the judicial system can end. High The delay in the appointment of learned judges in the court and the chairman and members of the service tribunal should be ended.

The appointment of the Chief Election Commissioner of Azad Kashmir is facing unnecessary delays, this position should be filled immediately. Senior lawyers of Azad Kashmir should be given priority in constitutional and judicial posts; Appointments outside Azad Kashmir will be

unacceptable. The establishment of the Judicial Academy should be implemented immediately so that the training of lawyers and judges and the performance of the court can be improved. The Lawyers Protection Bill, which has been pending between the Law and Finance Departments for two years, should be presented in the assembly and made into an act.

Appointments should be made immediately on the vacant posts of law officers. The privileges of law officers should be increased on the model of the Punjab province. Attempts to spread mistrust among the people of Pakistan and Azad Kashmir by using the protest of the Public Action Committee as justification were condemned. The lawyers made it clear that they are always ready to sacrifice for a strong and stable Pakistan.

The AJK government was urged that the committee established to implement public demands must play an immediate role. The meeting expressed deep concern that the Azad Kashmir government has practically failed, therefore, coercion and violence should be avoided.
