Doha, Qatar – 25 October 2025: Nasser Bin Khaled Automobiles, the authorized general distributor of Mercedes-Benz in Qatar, has announced an exclusive new offer on two sporty Mercedes-Benz cars, A class hatchback and CLA Coupé model 2025 for special prices.

This exclusive offer comes as part of Nasser Bin Khaled Automobiles' ongoing commitment to honoring Mercedes-Benz enthusiasts in Qatar and providing them with greater flexibility and easier access to the world of luxury, performance, and lifestyle that Mercedes-Benz represents.

The offer is valid until 30 November 2025, with the Mercedes-Benz A-Class Hatchback available at a starting price of QAR 159,000, while the CLA Four-Door Coupé starts from QAR 169,000.

Both models are available alongside the full range of Mercedes-Benz, Mercedes-AMG, and Mercedes-Maybach vehicles at the company's showroom in NBK ONE Building in Msheireb, Doha. For more details, customers can contact the customer service team at 800-BENZ (2369).

The new A-Class Compact Saloon (Hatchback)

The updated exterior design of the new Mercedes-Benz A-Class impresses with a new progressive front section, with the Mercedes-Benz pattern on the radiator grille, the optional flat LED headlamps and the optional rear diffuser with chrome trim.

The interior of the car is modern, progressive and user-friendly, and delights with a wide range of connectivity and safety innovations. Whether it's the further improved MBUX multimedia system or the comfort seats – the A-Class always has the driver in mind.

The car is equipped with side impact airbags in the rear passenger compartment protecting the chest area of passengers on the outer rear seats in the event of a severe side impact. Together with the standard window airbags, they offer optimum safety potential to prevent or mitigate injuries.

The air cushions deploy between the door and the occupant

The greatest potential for sporty driving pleasure and effortlessly superior driving feel: the head-up display transforms your windscreen into an exciting digital cockpit. This means that you always have a clear view of key information and your full attention remains on the road and the traffic ahead of you.

Thanks to high-resolution large media display, the second generation of the innovative MBUX entertainment system ensures that the interior of the A-Class becomes even more digital.

Experience the improved operation on the standard 26 cm (10.25-inch) large media display. When the media display is combined with the larger instrument display, what you get is a widescreen cockpit.

The New CLA Coupé

The exterior highlights of the new Mercedes-Benz CLA Coupé automatically attract attention: new front apron, new rear apron and new wheel designs – all seamlessly combined under an elegant coupé silhouette with four frameless doors.

The new Mercedes-Benz CLA Coupé stands out with its stunning interior design, ergonomically engineered space, and state-of-the-art controls. In addition to its extensive standard equipment, it features the advanced MBUX multimedia system with augmented reality technology.

With the suspension with adaptive adjustable damping you can choose between maximum agility and high damping comfort – to suit the route and your personal driving style. To do this, set the damper hardness from “Comfort” to “Sport”. The lower suspension level and sport direct steering further support a dynamic driving style.

The car is equipped with Smartphone Integration system that connects the mobile phone with the multimedia system wirelessly via Apple CarPlay™ or Android Auto™. This gives you convenient access to the most important apps on your smartphone. You can also quickly and easily use apps from third-party providers such as Spotify.

Nasser Bin Khaled Automobiles has built its success by establishing solid, longstanding relationships with its customers, and by offering a wide range of quality products. As a brand name, Nasser Bin Khaled Automobiles is deeply associated with a history of premium quality service and market leadership. Established in 1957, Nasser Bin Khaled Automobiles is Qatar's exclusive distributor of three of the world's most respected, iconic brands: Mercedes-Maybach, Mercedes-Benz and Mercedes-AMG.
