The much-awaited winter event “Buddies Day Out Qatar 2025”, organized to celebrate the sincere bonds and friendship of Bangladeshi expatriates working in Qatar, was held on Friday in a vibrant, festive atmosphere. Hundreds of expatriate friends and their families from across Qatar

participated in the day-long celebration at H2O Pool Restaurant, Velero Hotel in the Lusail area.

The event, held on 2nd April at the initiative of SSC and HSC Qatar friends, offered a warm, open-air celebration of friendship and togetherness. Despite the busy lives of expatriates, the day was filled with laughter, conversations, joy, shared stories, and excitement. The pleasant weather, the cool touch of the swimming pool, the aroma of Arabian coffee, and delicious BBQ created a festive and cheerful ambience throughout the venue.

Guests expressed their delight, saying, “Spending such a beautiful day with friends even while abroad is truly memorable.” The event was organized and managed by Magfur Rahman, Adib Rahman, Ami Emon, Mazharul Islam, and several others, ensuring a seamless and enjoyable experience for all attendees.
