Announcing Toyota GR Yaris Cup Qatar Season 2 and showcasing Moteri's premium auto care offerings at Qatar's biggest automotive event.

Doha, Qatar – 24 November 2025: Al Abdulghani Motors, the authorized distributor of Toyota and Lexus in Qatar, took part in The Grand Auto Show 2025, the country's biggest automotive event, held under the patronage of H.E. Sheikh Faisal Bin Qassim Al Thani at the Qatar National Convention Centre (QNCC). This marks the company's second consecutive year of participation, reaffirming its commitment to engaging with

automotive enthusiasts while strengthening its presence in both motorsports and premium after-sales services.

This year, Al Abdulghani Motors participated with two dedicated booths, one spotlighting the company's growing motorsports division and the other showcasing Moteri Auto Care Centre, Qatar's only 3M Authorized Auto Care Centre. This presence reflected the company's focus on delivering an integrated mobility experience that combines performance, innovation, and advanced customer care.

Building on the strong momentum and excitement of last year's successful first season of the Toyota GR Yaris Cup Qatar, Al Abdulghani Motors announced that Season 2 will officially kick off on January 30, 2026. The company also unveiled a number of Toyota GR Yaris vehicles, each carrying the identity of its respective sponsor, giving visitors an exclusive preview of the upcoming competition lineup. Several of the vehicles were also showcased in dynamic car-catwalk displays throughout the event, further heightening anticipation for the new season. Al Abdulghani Motors also utilized this opportunity to engage with interested drivers attending the show, encouraging them to register online for the upcoming race.

At the Moteri booth, Al Abdulghani Motors highlighted the centre's full suite of premium auto care services. As Qatar's only 3M Authorized Auto Care Centre, Moteri conducted live demonstrations of its advanced offerings, including 3M Window Tinting, 3M Paint Protection Film (PPF), ceramic coating, interior protection, rim protection, and more.

Through its participation in The Grand Auto Show 2025, Al Abdulghani Motors reaffirmed its commitment to elevating the motorsports scene in Qatar while showcasing Moteri's leading after-sales capabilities. This presence underscores the company's continued evolution as more than a mobility provider, positioning it as a leader in delivering a holistic, customer-centric automotive experience both on and off the track.
