Former prime minister and Pakistan Tehreek-e-Insaf (PTI) founder Imran Khan on Thursday stated that Saudi Arabia had no role in the “regime change operation”. The statement comes days after views expressed by firebrand party leader Sher Afzal Marwat during an interview with a private TV channel regarding the kingdom’s role in supposed “regime change operation”, which the party blames for the overthrow of Imran Khan’s government. During a segment on a private TV channel on Tuesday, Marwat suggested that Saudi Arabia, alongside the United States, played a part in the downfall of Imran Khan’s government. This statement coincided with a high-profile visit from Saudi Arabia, led by Foreign Minister Prince Faisal bin Farhan Al Saud.
